Snap a selfie with a Super Bowl Trophy replica at Steven Singer Jewelers Saturday!

Philadelphia staple, Steven Singer Jewelers, is getting the ultimate Philadelphia honor. Steven is hosting one of the Vince Lombardi Super Bowl Trophies used on the 2014 field at the Super Bowl at his store at 1pm Saturday, February 3, before the Super Bowl!

“This game means a lot to the city. We so much Philly passion and getting to take pictures with the trophy seemed like a fun way to celebrate with our staff and customers.” Said Steven Singer.

Steven Singer has been showing his true colors all season. While Steven is known for his white diamond bridal jewelry, he’s been featuring his green diamond jewelry and Exclusive Philly Green 24K Gold Dipped Roses in his windows. But don’t worry, all football fans are welcome at the other corner of 8th and Walnut.
